## MacArthur Family and Friends,

It's hard to believe the 2022-2023 school year is coming to an end. It's always a bittersweet time for those of us in education. We will miss "our" kids, as we affectionately refer to them as. The MacArthur staff continues to go above and beyond to ensure your children learn and grow and become a better version of themselves. We are very fortunate to have wonderful teachers and staff members who treat your children as their own.

Congratulations and good luck to our 5th grade students and their families. Some families have had children attend MacArthur for many years and are moving on as well. Best wishes to all of you. Please know, once a MacArthur family, always a MacArthur family!

Finally, if you have been following the Building Task Force Committee work this past school year, the communication has been a bit confusing. Please know MacArthur Elementary School will **remain open for at least 3-5 years or maybe even more!** There are a lot of unknowns at this time and a lot of MacArthur's future depends upon the successful passing of a referendum which has yet to happen. I will continue to communicate any changes with all of you.

Enjoy your summer and take some time to make some memories with your amazing kids. Thank you for sharing them with us this past year. Take care!

Kim Van Pay  
MacArthur Principal

## June First Nations Newsletter

### Wildcat Youth Football Camp

- July 18th, 19th, and 20th from 5-7 PM at West High on the practice fields. Cost is \$20 per child and all proceeds go directly towards Gatorade, water and snacks for the participants.
- West High School players provide coaching on drills and activities. Supervision from the high school coaching staff is also provided.
- Participants must live in the Green Bay Area Public School District.
- Please bring cleats and a water bottle.
- Additional details are included in the flier if you click the link above.
