It's Parent/Teacher Conference Scheduling Time!

Do you know 95% of MacArthur parents/guardians **attend** conferences? Our goal this year is **100%** and we know we can do it. Teachers will be calling, doing home visits, meeting at local restaurants, etc. in order to make this happen. Save yourself and the teachers time by scheduling **and attending** your conference now. Your kids matter and you deserve to know how well they are doing. Not only that, it means a lot to your kids that you are willing to take the time to learn about their days at school.

Many classroom teachers have already scheduled students especially if there are multiple siblings. If not, the directions are below:

- [eduSched for Parents \(Eng\)](#)
- [eduSched for Parents \(Spa\)](#)
