

2022-23 MacArthur Elementary School School Success Plan

School Mission/Vision	
School Mission/Vision Statement: MacArthur Elementary will provide a learning environment where students will feel safe, learn to their fullest potential and celebrate achievements and accomplishments in order to be lifelong learners and productive citizens of society.	
2021-2022 School-Wide Achievement Results (School Report Card Link)	
2022-2023 Achievement Goals and Measures	
Literacy	75% of students <i>at or above proficiency</i> according to the BAS May 2021 independent reading level will make at least one year's growth by May 2022 according to F&P Benchmark Assessment System. All students <i>below proficiency</i> according to the BAS May 2021 will either reach proficiency OR make 1.5 years growth. *Kindergarten's growth will be assessed from Fall 2022 to May 2023. (This goal includes students who attend MacArthur School for the full academic year).
Math	75% of students in grades K-5 will score within the "meeting standard" range on the End of Year Assessment (May) for the 2022-2023 school year.
Engagement & Culture	During the 2022-23 school year, 80% of students will receive an Eagle Eye Award which focuses on students demonstrating our PBIS expectations: SOAR. (S elf-control, O n task, P ositive A ttitude, R espect)
Professional Learning Focus (Based on Needs Assessment)	
During the 2022-23 school year, MacArthur teaching staff will focus our professional learning around Culturally Linguistic Responsiveness, Culturally Responsive Minds and Panorama. Panorama is a new system used to house data and help us identify student learning needs. Teachers in grades K-2 will receive training on ESGI, a progress monitoring tool used to administer the foundational assessment, provide data and to ultimately guide instruction.	
High Priority Strategies/Action Steps	
Continued implementation of Lucy Calkins Reading, Writing and Phonics Units of Study with fidelity at the universal level.	
Continued implementation of Bridges Math with fidelity at the universal level.
